

Acme Support — Privacy Policy

Acme Support stores customer profile data (name, email, phone, plan) and support ticket contents in order to provide the service.

Ticket attachments may include screenshots. Do not upload government ID numbers, payment card PAN, or health records unless a signed BAA is in place.

Data residency: US customers are hosted in us-east-1. EU Enterprise customers may request eu-west-1 residency.

Retention: Closed tickets are kept for 3 years on Starter and Business Plus, and 7 years on Enterprise when a custom retention add-on is active.

Customers may request an export of their profile and tickets. Exports are delivered as CSV within 2 business days.

We do not sell personal data. Subprocessors are listed in the trust center.
