

Acme Support — Refund Policy

Effective date: January 1, 2026. This refund policy applies to all Acme Support subscription plans (Starter, Business Plus, and Enterprise).

14-day money-back window: New paid subscriptions may be cancelled for a full refund within 14 calendar days of the original purchase, provided usage is below 1,000 API calls and no Enterprise professional-services hours have been consumed.

Seat reductions: Unused seats on annual Business Plus or Enterprise contracts are eligible for a prorated credit, not a cash refund, when the request is submitted at least 15 days before the next invoice. Credits apply to future invoices only.

Duplicate charges: If billing posts a duplicate charge, Finance will reverse the extra amount within 5 business days after the customer provides the invoice number.

Non-refundable items: Setup fees, custom development, and consumed training workshops are not refundable.

How to request: Open a ticket with subject 'Refund request' or email billing@acme-support.example. Include customer name, plan, and invoice ID. Standard review time is 3 business days.

Chargebacks: Customers should contact Support before filing a chargeback. Unexplained chargebacks may pause the account until resolved.
